

Convenience Packs

- Experience the most comprehensive nutritional packs in the world.
- Pharmaceutical grade vitamin packs full of vitamins, minerals, antioxidants and more.
- PhD formulated to work synergistically with the body. All elements used have high bio-availability meaning that they are easily absorbed by the body.

FIREPACK™

- **WHO:** Designed for men and women with high intensity work outs, ideally those who work out 4 or more hours per week and enjoy a good sweat.
- **WHY:** Without proper nutrition, muscle function is impaired. The FIREPACK replenishes essential nutrients and minerals for those who push themselves weekly.
- **CONTENTS:** 4 synergistic components: energy sports multivitamin, korean ginseng, ribose plus, electrolytes, and carnitine aiding in proper muscle functioning and recovery.

EARTHPACK™

- **WHO:** Designed for men and women ages 21-40 who desire increased immunity and decreased inflammation caused by daily stress and fatigue.
- **WHY:** With the modern lifestyle as hectic as it is, it's often hard to get all essential nutrients from diet alone. **EARTHPACK** replenishes lost nutrients to increase health and immunity.
- **CONTENTS:** 4 synergistic components: Nutrisearch gold medal awarded multivitamin, fish oil and coenzyme Q10 for heart health, omega-3 fatty acids, and probiotics for digestive health.

WATERPACK™

- **WHO:** Designed for men and women over 40 who desire longevity and increased disease prevention.
- **WHY:** Quite simply the most comprehensive nutritional pack available today. As you age additional antioxidants may help you fight disease and improve quality of life.
- **CONTENTS:** 8 synergistic components: Nutrisearch gold medal awarded multivitamin, fruit and tea antioxidants, coenzyme Q10, vitamin E, and additional antioxidants to improve longevity by helping the body better fight disease.
